INDUSTRY EXCLUSIVE

Town & Country Homes Ltd. No Worries Price Guarantee

protects the buyer from cost overruns that are very common in the industry. Cost overruns normally run 10% to 30% over the quoted price of a stick-built home. Here at Town & Country Homes, we ensure your price quote is absolutely correct, and when we both sign the contract, your price is exactly as stated... ***We Guarantee It.***

Thank you for choosing Prestige Homes & Town & Country Homes to be your builder of choice. With over thirty-seven years in business and over 11,750 Prestige Homes built, our commitment to quality and value has never been compromised. We are a professional builder and we clearly understand this will be one of your greatest investments of a lifetime. Knowing this, we are most appreciative of your confidence and allowing us to partner with you in building your dream home.

*This guarantee refers to the price and delivery of your new home only, and excludes other related site work that may or may not be part of your contract with Town & Country Homes.
